

## The next steps

We will bring all interested parties together at the Foriner conference in London in October 2016.

We will pilot projects all over Europe to provide education to European national inmates offered by their home countries in January 2017.

We will produce policy advice on prison education for European foreign national inmates.

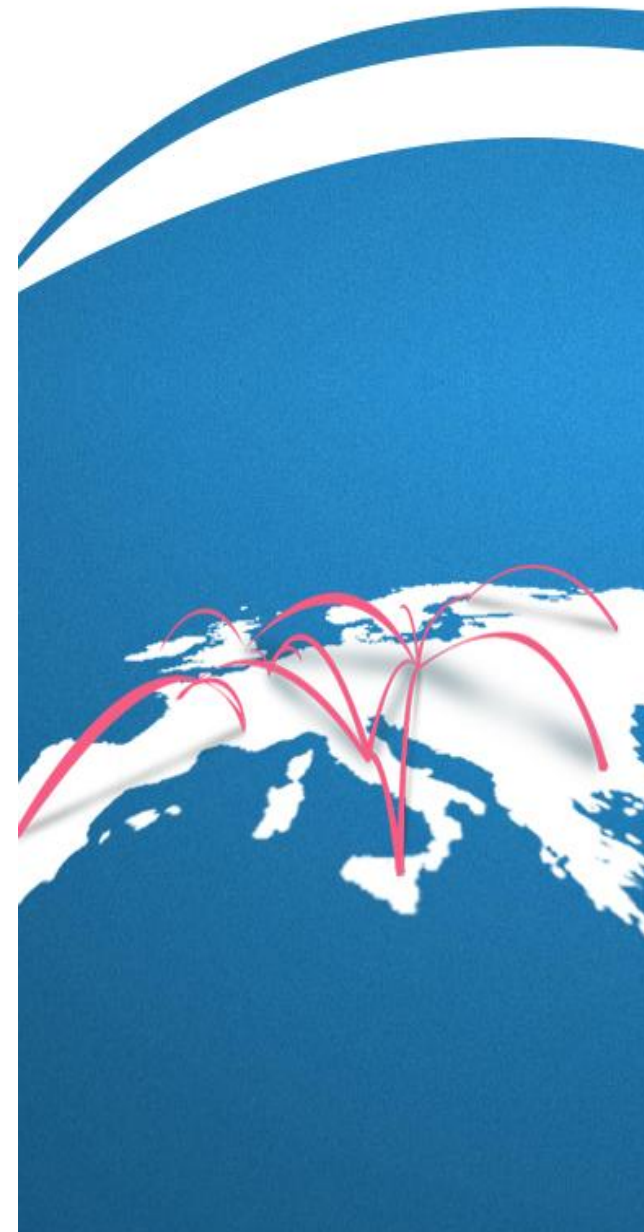

Co-funded by the  
Erasmus+ Programme  
of the European Union

# F RINER

### → What is FORINER?

A European Project on prison education for European foreign national inmates, co-funded by the European Commission through Erasmus+.

### → Our Goals

Discovering ways of providing European foreign national inmates with access to education provided by their home country .

Innovation of prison education through digitalization.

### → Let's Collaborate!

Providing education for European foreign national prisoners is a major challenge.

Distance learning projects are emerging everywhere in Europe.

Let's cooperate from the start!

### → Who are you?

Are you working in Prison, working in prison education, working on distance learning in secure environments?

Do you have time to join us on the 12 till 14th of October?

Join us on experimenting with new possibilities!

### → What's in it for you?

Extend your network.

Share materials.

Share expertise.

3 day conference in London (FREE to attend).

Benefit from an innovative pilot on distance prison education in your country.

### → How to get involved?

Sign up for our newsletter at [www.foriner.eu](http://www.foriner.eu) .

Let us know if you want to participate by sending an e-mail to: [foriner@vocvo.be](mailto:foriner@vocvo.be).
