What words come to your mind
when you think of the Red Cross
Restoring Family Links Activities?

Restoring Family Links a wide range of activities

To live or rebuild a dignified life, people need:

RFL activities

Prevent disappearances
and separation

Restore contact between family
members

Maintain contact between family
members

Clarify the fate of
missing persons

The importance of contact with family for persons deprived of their liberty

- B) Protection
- C) Access to Legal Advice
- D) Psychological well-being of the detainee and his/her family
- E) Material Support for Detainees
- F) Social Reintegration and Rehabilitation
- G) Atmosphere of a Place of Detention

Restoring Family Links in detention

Possible reasons for broken family links:

- Difficult connections
- Lost telephone number
- Do not have a precise address
- Lost family during the migration process
- Death of one of the family members
- Other reasons over which the authorities have control

How can we help ?

5. Family Visits

- ▶ If required, National Society with ICRC support provides support for the relevant authorities in facilitating and/or financing family visits

Principles of action

- ▶ Fundamental principles NIHA
- ▶ Consent of the detainee, their family and the detaining authorities
- ▶ NS RFL Code of Conduct in line with GDPR 25 Mai 2018
- ▶ Transparency with the detaining authorities
- ▶ Censorship

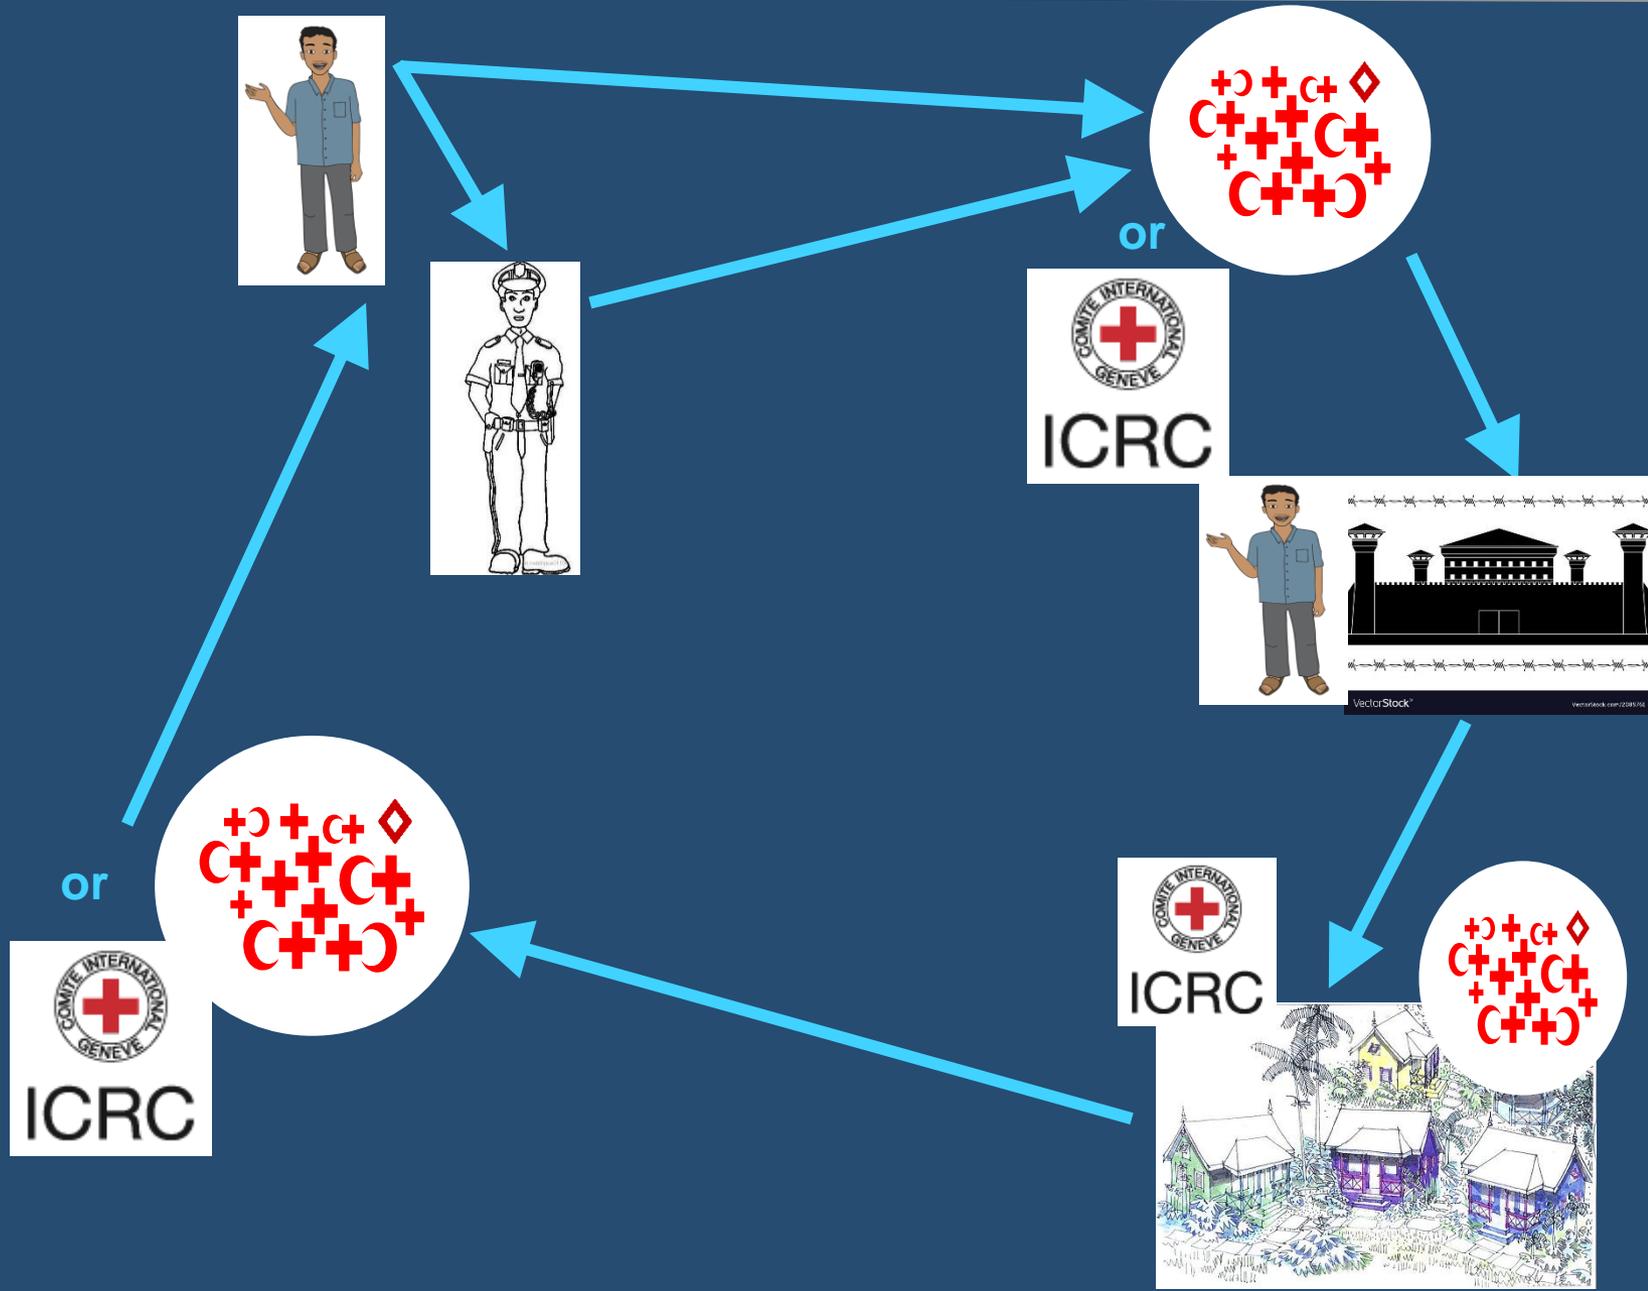

**RFL? An exclusive
Humanitarian Service**

IMPORTANT

- ▶ Avoiding a negative impact: it is essential that any RFL activities do not have a negative or detrimental impact on the detainee and/or the family members
- ▶ Be aware of time / Realistic expectations

How to activate RFL Services for Detainees
