

Preliminary program 3rd working session Prisons of the Future 19-20 November Zaandam the Netherlands

Our hotel (dinner 19 November & night & breakfast 19-20 November):
Inntell Hotel Zaandam; address: Provincialeweg 102, Zaandam

Inntel Hotels Amsterdam Zaandam is a remarkable building because of its striking exterior. The structure is built up from a varied stacking of almost seventy individual little houses, executed in four shades of the traditional green colour of the Zaan region. Inntel Hotels Amsterdam Zaandam is located next to the train station Zaandam. You can travel from Schiphol airport in only 18 minutes. You can park your car in the Q-Park Garage Hermitage (parking fee required), adjacent to the hotel.

Our meeting room (19 November 10 AM to 6 PM):
former town hall Zaandijk; address: Lagedijk 106, Zaandijk

The former townhall in Zaandijk is located at a ten minutes walk from the railway station Koog-Zaandijk. It is the next stop after railway station Zaandam. From the station you follow the signs 'Zaanse Schans'. However, do not walk over the bridge, but follow your route at Lagedijk. You find the former town hall at your right side, number 106.

Working visit Zaanstad prison (Friday morning 20 November):

We visit the first public-private partnership prison in the Netherlands, who will be open for prisoners in the spring of 2016.
