Statements

- Inmates should be obliged to activity (Peter Larsen)
- Each inmate should work, the content is not relevant. The aim is to develop a working attitude (Jan-Erik Sandlie)
- Inmates cannot make a lot of money with their work; their work and income should be a support for the victims. (Jorge Monteiro)
- How can we bring bottleneck jobs into prison? (Peter Larsen)
- First we need to search for talents of inmates and then find work that fits. Profit is less important. (Jan-Erik Sandlie)
- Prison work – who is in charge? Local prison management or initiatives taken by actors from outside the prison? (Jorge Monteiro)
