

Servei d'Atenció a Homes

“Service of attention at men”

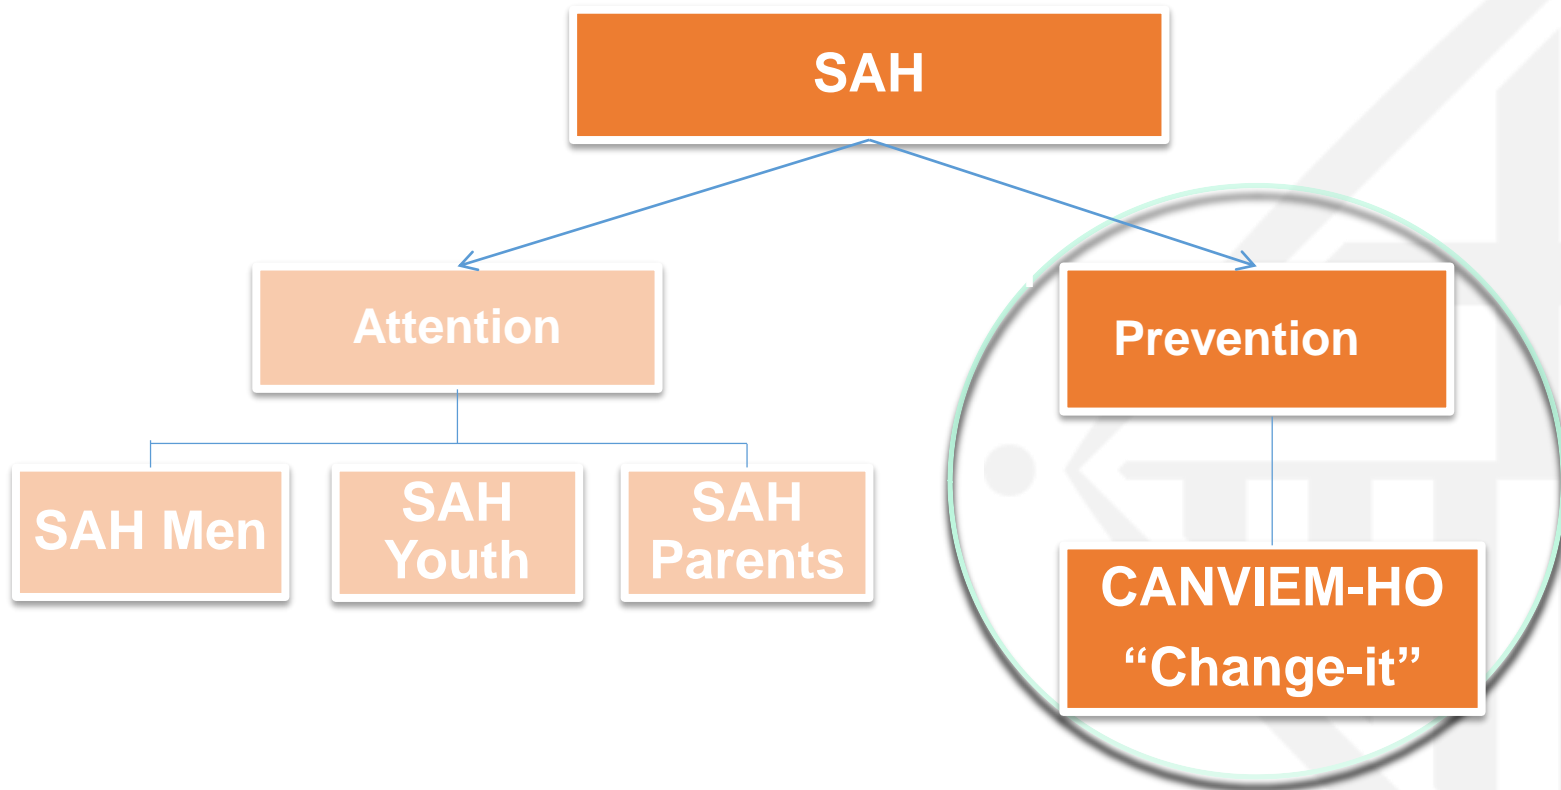

(SAH)

Barcelona, 2019

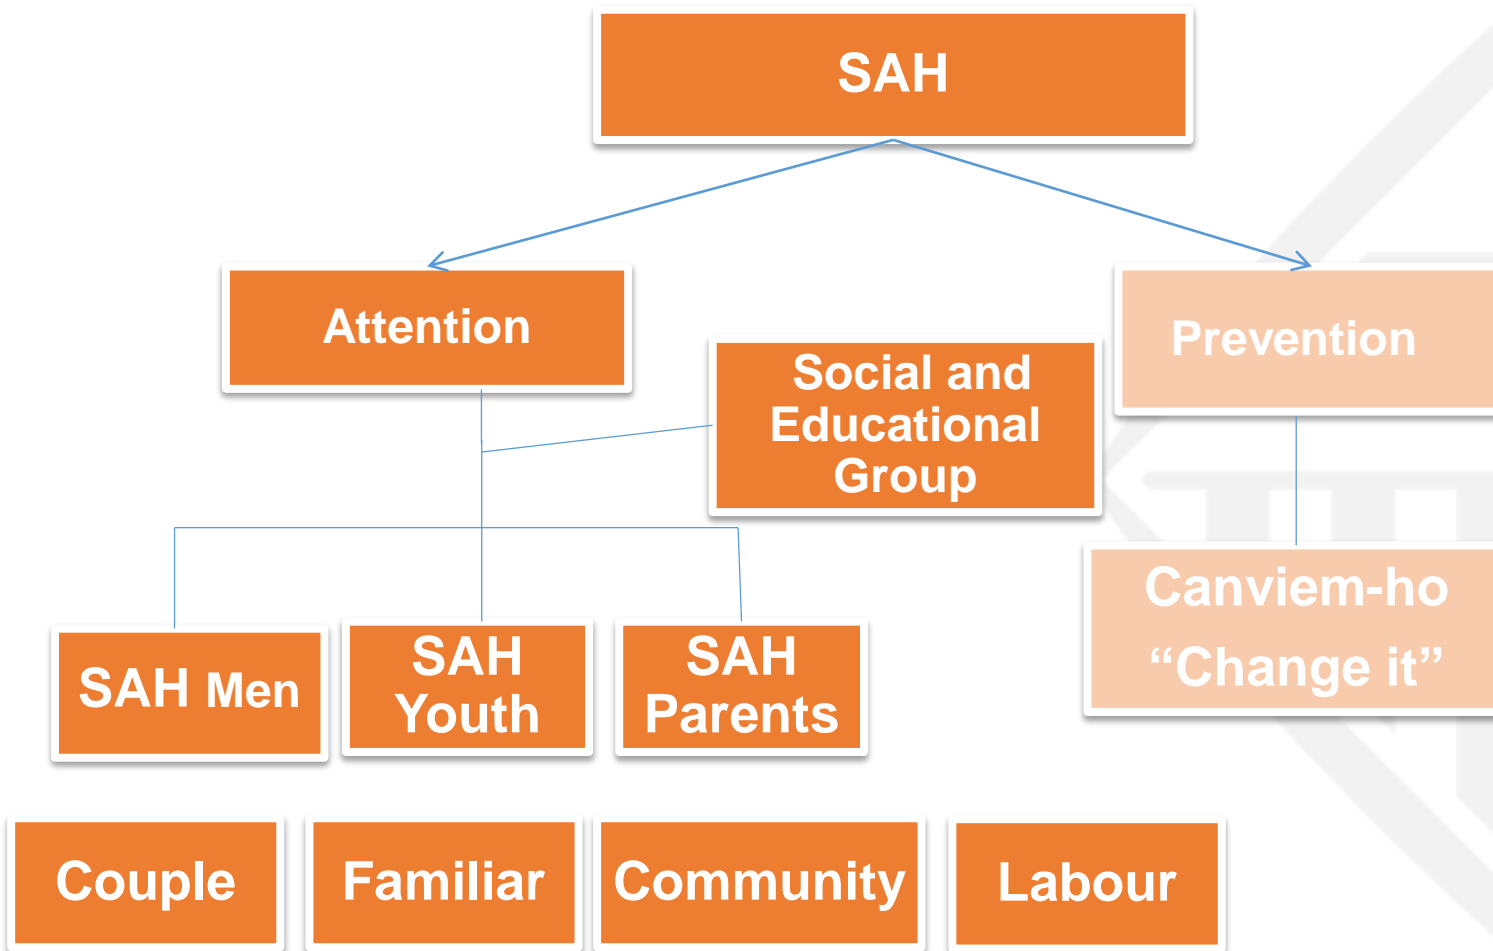

What is the SAH?

- Is a free service of the City council of Barcelona specifically addressed at all the men that want to relate of a nonviolent way
- The service is composed by a team of psychologist who treat men from 21 years old that voluntary are willing to change certain behaviors and avoid violence. The treatment includes both individual and group therapy.
- There is also a program for youth and teenagers from 12 to 21 years old.
- We offer coordination, assessment and training programs to other professionals
